The student dress code at Narangba State School supports the objectives of the Education (General Provisions) Act 2006 and promotes the values of the school.

School Values

- ✓ Confidence

Students wearing the Narangba State School uniform are actively supporting the values of our school and our community. Wearing our uniform builds school spirit and promotes a positive image of our school as a part of our local community. We hope that by wearing our uniform our students promote belonging and fairness and avoid the discrimination sometimes borne out of student attire. Our dress code promotes the safety of all students by meeting Sun Safety and Workplace Health and Safety requirements.
