Dear Parents

At Narangba State School we recognise that the school is an integral part of the local community and we are committed to promoting the active partnership between community and the school.

By maintaining this strong relationship with the local community we aim to ensure that the present atmosphere of cooperation prevails to create and maintain quality educational opportunities for our students.

Throughout the year and depending on the curriculum, there will be opportunities for classes to:

- visit local businesses and landmarks e.g. Narangba Library, Post Office, Railway Station and other locations within the Narangba Local Community Area
- participate in and view visiting performances on school grounds as well as at the Narangba Hall e.g. Queensland Arts Council and school celebrations

You will be informed of these activities in advance through official school communication. Students will be accompanied by appropriate school personnel when leaving school grounds.

To assist with school procedures, please complete the permission note below and return to the office at your earliest convenience.

Your consent will be considered current until you inform the school of changes.

Please contact me on 3491 1333 or email [the.principal@narangbass.eq.edu.au](mailto:the.principal@narangbass.eq.edu.au) if you wish to clarify any of this information.

Yours sincerely

Lisa Starmer
